Message from Jeff Platzer, President:

Hello everyone! Deb and I just returned from the Mopar Nats. A beautiful day to see the cars and watch some drag racing. We ran into the Kelly clan with Rick Zimmerman. You'll see some nice photos from us attached. I hadn't been to the Nats for many many years.

Traffic was fairly light on Friday and I'm guessing Saturday was busy. We drove over Friday night to Brice Road to see what was going on there and was surprised that nothing much Mopar wise was out there. There was a huge gathering of cars in one area but it was all younger people and not car specific at all. We ate dinner with Mike Kohout and then left.

Deb and I will be heading to the Woodward Dream Cruise in Detroit this coming Thursday August 18 through Saturday. If anyone else is going let me know. My phone number is 260-403-6616. If you've never been you need this on your bucket list!

The only other piece of news to relate concerns the upcoming show at York in Crawfordsville Sept. 10. We're all set to go. I have stayed in touch with them and know how to do the set up there. They have a food truck they've invited and Bob Davidson will be doing the DJ services. We'll talk about any other last minute details at the meeting. Please bring any raffle give away items to the meeting so we have an idea what we have to work with. If you know you won't be there let me know. I have been passing out flyers, hope you are too!

Please also put the Cruise Indy event on Sept. 17 on your calendar. That will be an official club event we'd like to see as many club members attend as possible. See the attached information from the oldcarsonly website.

September 17, 2022 - ([Carmel, IN. 46032](#)) Cruise Indy Car Show & Car Cruise. This event allows collectors to not only show their vehicle in a festive setting complete with music, food, silent auction and entertainment, but the day will also culminate with the opportunity to enjoy an 8-10 mile open cruise between Carmel and Indianapolis, all while raising money to benefit Folds of Honor & The Scoliosis Project of Indiana. All participants receive a collectors medallion and dash plaque. DJ, Food, 50/50 Drawing, Silent Auction, Merchandise, Awards, Face Painting and Scavenger Hunt for the kiddos. Registration is \$20 before September 15th & \$25 at the door. The Mopar Nationals 2022

The 2022 Mopar Nats were held August 12, 13 and 14 again at National Trails Raceway east of Columbus Ohio. The weather was beautiful Friday and Saturday. A good number of IMC members made the show including Steve Wisdom, Randy Smith, Rick Zimmerman, Dave Watt, Mike Leyes, Jeff and Deb Platzer, and Dan, Jim & Tom Kelly. I believe others (Dave Sanders included) were there though we didn't cross paths over the weekend. Past IMC Vice President Kent Wallace, his son Drew along with friend Mark Graver and his son Matt came down from the Detroit area with their pair of '67 R/T convertibles. We had our awnings set up together again in the 'Fun Field'; it served us well as our social hub oasis (and as a rest area when our legs wore out from walking).

Dave Watt left the show with a truck load of preordered and swap meet finds for his '69 440-6BBL Road Runner project and I know Randy Smith was on the hunt for '70 340 Cuda parts. My brother Dan located a good deal on a 383 Air Cleaner for his '68 Road Runner and Rick Zimmerman picked up some needed rubber trim pieces for his '69 Runner as well. I thought long and hard about a 3:55 Sure Grip third member but decided I needed to save my money for more important home repair projects... sad, huh?

Overall, the show Manufacturer's Midway was down considerably from past years. Unfortunately, vendor displays have been shrinking for the last number of years and this year was more sparse than ever. The swap meet was still pretty large and the 'For Sale' Car Corral had a decent number of vehicles brought in.

There were some really cool famous race cars again this year. A couple that stood out was the Paul Rossi 440 Six Pack Dodge Super Stock car and Judy Lilly's '67 Hemi Belvedere, both fresh from complete restorations. The Rossi car was stunning and parked along side Butch Leal's California Flash '65 Plymouth Super Stock Race Package car and the Motown Missile Pro Stocker. Both Paul Rossi and Butch Leal were on hand to sign autographs and sell some very cool replica die casts including an awesome Dodge ramp truck. All these cars were very successful race winners and received a lot of press back in the day, including pics in the Direct Connection catalogs of the era.

A highlight for me was an original black 1962 Plymouth 413 Max Wedge Belvedere. We spoke with the owner and he bought it brand new. Due to his age of only 16, he needed his mother to sign for his purchase and loan. As they left the dealership, he nailed the accelerator and after a quick trip through the gears, his mother told him "I thought this was a 6 cylinder". "I would never have signed for it if I knew it was this fast!" He still laughed like a teenager when he told us this story!

After decades of taking my '68 Road Runner to the show, transportation circumstance made me take my '79 Lil Red Express truck. My brother Jim graciously drove it over from Indy without the comfort of air conditioning while I towed my travel trailer. It was pretty cool that on Saturday, there were 5 'Lil Reds parked within sight of each other. I believe that's the most I've seen together at this show in recent years.

Other older Dodge truck participation has ramped up considerably over the years and there were some stunning examples this year. A couple of lifted '40-50 era Power Wagons were definite crowd stoppers. One even had dual rear axles so capable of putting serious power to the pavement!

Station wagons have also been in vogue for a while now and I saw a couple that really caught my attention. One was a 1961 Plymouth (so homely they are cool!) and another was a pristine red 1960, 9-passenger Chrysler wagon. The amount of space in that wagon was phenomenal!

The gentleman that organizes the wonderful MCACN car show in Chicago each November has a booth at the Nats each year selling memorabilia, old car magazines and diecasts. He hosts the Mopar Nats Model Car Contest and there were some really nice famous race car replicas this year. There will likely be coverage in Mopar Collectors Guide magazine later this year if that is of interest.

We enjoyed the show again this year. Others shared concern about the event's shrinking size but it is still a great time with lots to see and a great opportunity to spend a weekend visiting with friends.
