

The gift exchange follows the meal and is a hoot. Each person brings a nice gift item with a retail value around \$20. (don't be ashamed to get a \$20 item on sale for \$10 either). Men bring for men, and women bring for women. The fun and laughs start when the stealing begins. We draw a number to determine our turn to pick a gift. You can pick a gift or steal a gift (but it can only change hands twice). Wrap your gift without your name and simply mark it as for a man or woman. Have any questions? Call us!

See you at MCL, and if you can't make it, Happy Thanksgiving!
Jeff

Miniature Mopars - from the Circle City Modeler's show on 11-2-24 at the Hendricks Co. Fairgrounds. This was an excellent show that included a model car and slot car show as well as a hobby kit & supplies swap meet area. Many of these tiny masterpieces' paint jobs rival the 1:1 real cars they are based on! *T. Kelly*

We continue to lose some of our older Mopar Heros in the Racing World. Rest in Peace, Gentlemen.

Steve Bagwell – NHRA Super Stock Racer

Bobby Allison – NASCAR Racer

Wally Booth - though known more for racing Chevys, did race a '69 Hemi Super Bee & then AMC Pro Stocks.
