

The IMC Christmas Party was again a great time for all that attended. Compliments to the chefs that brought in all the delicious food again this year. This year we had a special guest with a miniature Santa who brought

all the ladies a special gift and then assisted with making sure the White Elephant Gift Exchange went smoothly (considering the good hearted 'gift stealing' feature of this annual event)! We had 30 attendees this year and from the smiles on everyone's face, it was a great way to close out the Club's calendar for 2024. Once more, a big THANK YOU to Steve and Cheryl Wisdom for hosting us at their neighborhood's Clubhouse.

Attendees at the Christmas Party were: Cheryl & Steve Wisdom, Ronda Cherry & mom Jeannette Leavitt, Deb & Jeff Platzer, Linda & Tim Little, Elaine & Walter Thomas, Nula & Dan Kelly, Cathy & Steve Claycomb, Dorinda & Dick Crawmer, Nicole & Evan Springer, Ginger & Rick Zimmerman and grandson Rhett, Vickie Walker and daughter Cortney Bastine, Randi & Bill Edgerton, Larry Mayes, Bobby Stephenson and Lisa Rosebrock-Thomas, Teresa & Tom Kelly.

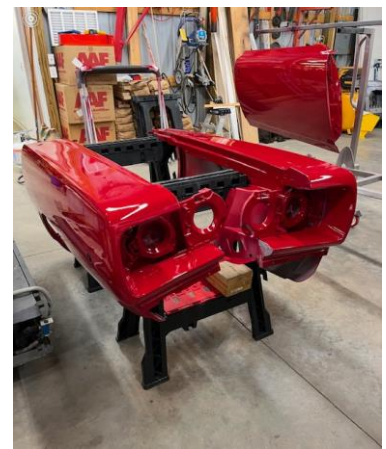

Indy Mopar Club Member Projects:

Dan Kelly, an IMC member now residing in Colorado, forwarded some pictures of his project progress from this past couple of months. After several start & stops over the years, he along with brother Jim completed the metal and bodywork earlier this year. They met a hot rod & motorcycle painter who lives in the same general neighborhood and made it agreeable for him by using Jim's recently completed paint booth. Dan's 1968 Super Bee is now resplendent in gorgeous Chrysler code PP1 Red basecoat-clearcoat paint!

Dan and Jim reassembled the doors, fenders & hood in prep for the painter doing a final color sand and buffing. The next step will be to complete the suspension so it's a roller again then inventory and start ordering components for reassembly.

Dan's '68 Dodge Super Bee is an original VIN 'J' Code Hemi Automatic car with manual steering and power disc brakes. The original fender tag shows a Scheduled Production Date of March 5, 1968. As I've mentioned before, it will be a nearly identical 'cousin' to my PP1 Red Hemi Automatic '68 Road Runner when completed. Dan purchased it as a disassembled project on March 10, 1998, from a Mopar collector in Connersville, Indiana. The car came with a 1966 426 Hemi engine, not original to the car. The previous owner had registered the car with the National Hemi Owners Association back in the mid- late '80s so its VIN appears in the same printed NHOA registry in 1989-1990, that my '68 Road Runner was registered in. Dan plans on coming back to Indy for the March Indy Cylinder Head Chrysler Performance Trade Show/Swap Meet so you can bet he'll have his shopping list ready!

TATTLER'S CORNER (In Memory of Jan Peel and her awesome sense of humor!)

Not sayin' the IMC Ladies like the Liquor but some of those Christmas decanter-holders & their bottles sure seemed to change hands rather quickly during the white elephant gift exchange! Even to the point of one hubby being threatened by the missus if he didn't steal a certain liquid gift when his name came up!!
